1 x Jetsteam Tosca Cleaner

With homes getting bigger and lifestyles getting busier, many are after one cleaning machine that caters to all domestic cleaning jobs and one that gets the job done at the highest standard. People don't want numerous amounts of cleaning products cluttering up their cupboards and want to clean fast yet effective.

The "Jetsteam Tosca" is not a typical cleaning machine that is purchased at your local shopping centre, but is ordered directly from national cleaning equipment distributor, Duplex Cleaning Machines. The technology of the "Jetsteam Tosca" provides the results of a heavy-duty commercial cleaning machine, but in a compact, versatile and easy to transport design for domestic purposes.

It is used for the cleaning of bathrooms, bedrooms, kitchens, fridges, ovens, toilets, beds, upholstery, tiles, carpets, windows and more.

Valued at \$1,419, the key benefits of the Jetsteam Tosca are:

- Very Easy to Use
- 24x7 Continuous Steam
- Compact Design: Easy storage, only slightly larger than a football
- Versatile Accessories: Designed for many functions
- Powerful Steam: 155 degree Celsius steam – kills all bacteria
